

SlimLite™

“SlimLite™ is the lightest aluminium table yet from Burgess”

The patented SlimLite™ range of lightweight folding tables are suitable for indoor and outdoor use and are our lightest table yet.

With a wide choice of either flock or laminate top finishes and a variety of sizes up to 2.4m in length, the SlimLite™ range of banquet tables is a great choice for any hospitality venue.

All SlimLite™ tables conform to the recommended EU guidelines for lifting weights in the workplace, and the ease of transportation and storage with our table truck.

Table Truck - TTE4M

Sub-divided into three sections for ease of loading either round, rectangular or half round tables on their edges

Folding Leg System

The patented spring-loaded folding leg system is a smooth positive action locking the legs into position when open and holding the legs securely with a magnetic catch when closed

All tables are 73.5cm high as standard

Made in Britain

We are proud to say that for over half a century we have made all our chairs and tables to exacting standards within the UK.
